[CNE25] The Mortar in Detail

De Mortel is a church village in the municipality of Gemert-Bakel in the Dutch province of North Brabant. On January 1, 2023, the village had 1,695 inhabitants.

As in many Brabant villages, the church dating from 1904 is a defining feature of De Mortel. Along the main road is a statue of the Mortel pig farmer. This statue is one of the many creations by Gemert artist Toon Grassens. The built-up area is announced by a sign with the motto 'De Mortel een (h)echt dorp' (De Mortel, a real village).

Many activities take place on the village meadow with an octagonal kiosk on it. De Mortel is surrounded by an agricultural cultural landscape with forests, fields and stream valleys. There are numerous cycling and hiking trails. The 'Mortels ommetje' is a cycling route through the village and the countryside.

In the forests of De Mortel on the Hemelsbleekweg there is a 128-meter-high KPN tower. Also called the Wortel

How well do you pay attention to details?

Link the right photo to the right waypoint and calculate where the cache is.

N 51° 3A.BCD E 005° 4E.FGH

Permission for placing this cache has been granted by the municipality of Gemert-Bakel. Our thanks for this.
