[CNE25] Captain Jack's Treasure Trail 01 The Smallest Treasure

There are many stories about the infamous Captain Jack Blackbeard. How he sailed the seven seas and plundered everywhere. He had collected an enormous treasure in all those years. He trusted no one, not even his own crew, and at the end of his adventures they were also keelhauled so that he did not have to share his treasures with anyone.

In his old age he made his home in the Brabant Kempen. But even here he never found his peace. Always afraid of people who were lurking for his treasures. In order to secure his treasures he hid them in several parts. But his age plays tricks on him, so he has hidden hints everywhere to be able to find his treasures again one day.

In the meantime Captain Jack Blackbeard has passed away, and when clearing out his house a number of maps are found with the same plan, but each time a cross in a different place. Will his treasure be hidden here? Could it be that easy? Let's see if the legends of Captain Jack Blackbeard are true. Go to the points and start the search. Good luck!!!
