**[CNE25] On the farm - **

Do you know the story of the animals on the farm? One day they decided to go on an adventure. In each listing you can read a piece of their story. We start at the beginning...

## The introduction

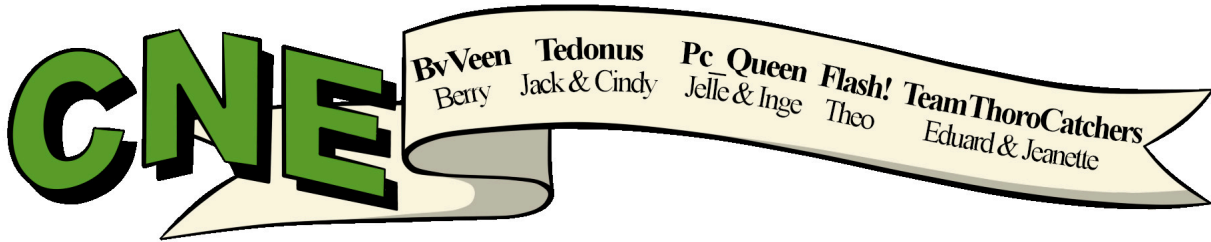

On a farm not far from the village, a lot of animals lived together, each with their own character. There was a sheep called Lila, who always stood quietly in the meadow and let her wool wave in the wind. A chicken called Kiki, who laid the most beautiful eggs, was always busy scratching around the yard. Then there was the cheerful pig, Woezel, who liked to roll around in the mud and always did a bit of crazy things. The cat, Snuffie, was lazy and liked to sleep on the sun-drenched roof of the barn, while the goat, Boefje, always nibbled on the vegetables in the garden and could never sit still. And last but not least, there was the goose, Gertie, who always called loudly and interfered with everything.

In the following listing you can read how the story continues.
