[CNE25] On the farm - 

Do you know the story of the animals on the farm? One day they decided to go on an adventure. In each listing you can read a piece of their story.

The plan

One beautiful, sunny morning, the animals decided to do something special. "Let's have an adventure!" said Woezel, rolling out of his mud puddle and jumping through the meadow with his dirty paws. "What kind of adventure?" asked Lila, who was calmly eating her grass. "We could go on a treasure hunt!" We're going to find something that no one has ever seen on the farm!" suggested Kiki, proudly shaking her feathers.

"That sounds exciting!" meowed Snuffy, who went from sleeping to looking curiously. "What are we going to look for then?" asked Boefje, pulling a piece of carrot out of the garden with her sharp teeth. "A treasure!" shouted Gertie loudly. "A real treasure, with gold and jewels! I'm sure there's a hidden treasure somewhere on the farm."

The animals looked at each other. They might not all be equally adventurous, but the idea of a treasure was irresistible. So they started their search.

In the following listing you can read how the story continues.
