[CNE25] On the farm - 

Do you know the story of the animals on the farm? One day they decided to go on an adventure. In each listing you can read a piece of their story.

The treasure

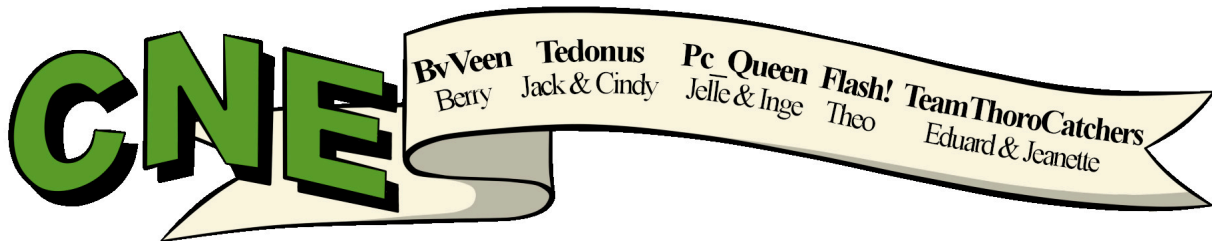

All the animals ran to the pond and looked curiously. And there, at the edge of the water, lay an old, rusty bucket. When Gertie lifted the bucket, it turned out to be a treasure, but not the golden jewels they had hoped for. It was full of crisp vegetables that the farmer had put away for the winter.

"This is it," said Woezel, as he pulled a carrot out of the bucket. "But actually, it's quite a treasure if you like it!" Everyone started laughing and found the vegetables to be a bit of a treasure indeed, even if they weren't the glittering jewels they had expected. It was a treasure of nature, a treasure that filled them with joy.

In the next listing you can read how the story continues.
