[CNE25] On the farm - 

Do you know the story of the animals on the farm? One day they decided to go on an adventure. In each listing you can read a piece of their story.

A beautiful adventure

So the animals returned to the farm, happy with their 'treasure'. They realised that the adventure itself was much more important than the treasure they were looking for. The laughter, the friendship and the time they spent together was the real treasure they had found.

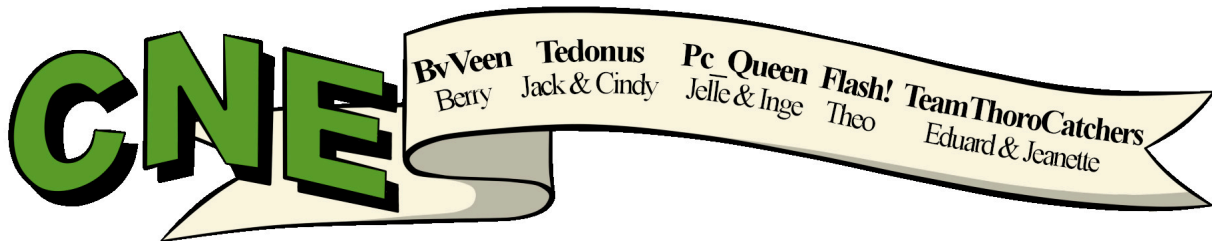

And so the animals' adventure on the farm ended, with a happy belly and an even happier heart.

In the following listing you can read how the story continues.
