[CNE26] DBZ Art

This cache is located in the Bergkwartier district, which is divided into De Berg-Zuid and De Berg-Noord. The various art objects are located in De Berg Zuid, which is also the origin of the abbreviation DBZ in the cache title. If you want to visit all the DBZ and DBN caches in one walk, it's approximately 10 km. The multi-art section itself is just under 2 kilometers.

I lived in this part of De Berg-Zuid with my wife from 2015 to 2017. It's a wonderfully quiet neighborhood, surrounded by greenery, and for the observant visitor, there's plenty of art. Facade art, sculptures, and floral design—today we'll explore the neighborhood and search for various art objects.

Walk through the waypoints in order, find the correct photo at each waypoint, and write down the letter or number associated with the photo. After visiting all the waypoints, you'll have the coordinates in the correct order on paper, and it's time to visit the cache!

The municipality of Amersfoort has granted permission for this cache.

Thank you for this.

NOTE (regarding the final location):
