## [CNE26] DBN Tolerance Gate

This cache is located in the Bergkwartier district, which is divided into De Berg-Zuid and De Berg-Noord. The Tolerance Gate artwork is located in De Berg Noord, which is also the origin of the abbreviation DBN in the cache title. If you want to visit all the DBZ and DBN caches in one walk, it's approximately 10 km. The multi-venue Tolerance Gate itself is a very short walk.

A steel gate in the shape of a heart with eyes. The gate represents a dream to open up everything that is closed, creating more beautiful connections in society. The gate shows that you can see clearly, sometimes turn a blind eye, and that by shaking hands, the heart opens. Contact is the key that opens the gate.

Until 2014, the former "Kleurrijk Amersfoort" Advisory Council advised the municipal executive on the municipality's diversity policy. At the initiative of the advisory council, the municipality decided to install a

work of art about diversity and tolerance. The municipality of Amersfoort purchased the gate in 2014.
