[CNE26] Monument Rustenburg

The Rustenburg neighborhood was built in the mid-1970s. Almost all the streets in this neighborhood are named after fallen resistance heroes. Other streets, such as "Weg van de Vrede" (Peace Road) and "Verzetsplein" (Resistance Square), also have World War II-related themes. On May 4, 1980, the Rustenburg resistance monument was unveiled by Mrs. E.J. Mulock-Houwer, daughter of fallen resistance fighter Jacob Bunnik. Mayor AR Vermeer planted a tree on the monument's terrace during the ceremony.

The monument consists of a concrete terrace and a pillar. The pillar bears the names of the fifteen resistance fighters who died, but for whom no street is named.

How many concrete squares make up the terrace? Answer = ABC
 How many capital letters A are on the pillar? Answer = D
 How many capital letters J are on the pillar? Answer = E
 How many capital letters W are on the pillar? Answer = F
 How many capital letters Y are on the pillar? Answer = G

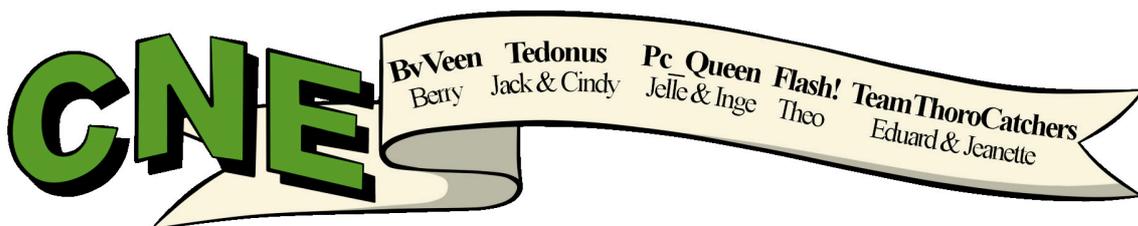

Make a projection:
 (FG)(D+G)(CB) meters
 (A)(C+F)(E+A) degrees

The municipality of Amersfoort has given permission for this cache.
 Thank you for this.
